## Recycling to be offered at our Rose Township Collection Center!

In addition to weekly refuse collection, residents will have the opportunity to recycle in the near future. We are happy to announce that recycling will soon be available at no additional charge to our residents. We will be accepting #1 & #2 plastics, glass, tin & aluminum containers, paper, magazines, newspaper and cardboard (clean). Until this service is in place, residents can continue using the West Branch facility. To see a list of accepted items & read the "do's and don'ts" for successful recycling, go to our web site or call 989-685-8047 to get a list mailed to your home.

**Partial Payments** Did you know that once you receive your summer and/or winter tax bill you can begin making payments toward your taxes due? Partial payments can be made as often as you like and for any dollar amount. For summer taxes, partial payments can be made to Rose Township from July 1st through February 29th. If you do not qualify or have not filed a [Summer Deferment form](#), interest will be applied after September 14th; however the interest will only be charged against the remaining balance. For the winter taxes, partial payments can be made from December 1st through February 29th. Please contact the Township Treasurer's office if you have any questions on partial payments or Summer Deferment of taxes at 989-685-8047.
